

220 Church Street, Palmerston North 4410

EQUIPPING PASTOR

We are a large, outward focused, Christian Community that is looking for a passionate follower of Jesus to be part of our close-knit team of Pastors who lead, encourage, grow, challenge and teach us.

Equipping Pastor?! That's a bit of a weird title isn't it? The role encompasses the need to meet day to day administrative and compliance responsibilities but equally, to be involved in big picture direction, vision and strategy, all delivered in a Christian environment with a strong volunteer culture and collaborative staff team.

You could be a good fit if you:

- Have a love for God and for people
- Have the desire and ability to teach God's truth in a wide range of contexts
- Are passionate about actively sharing Jesus' love with those who don't yet have a relationship with Him
- Bring experience in administration, management and compliance
- Like growing and developing volunteers in the church, encouraging them in their areas of gifting

We'd prefer if you have appropriate experience and qualifications and importantly, an appreciation of how these might play out in a Christian church environment. Outside of these things we are keen to hear what you can contribute, what really pushes your buttons, what gets you up in the morning! If this sounds appealing, please touch base with us!

You can check out our website and Facebook links to glean a bit of information about Crossroads - our background, size, Elders, Pastors, staff and activities:
