

Full-time Lead Activity Instructor/camp worker

Micamp is a group of 3 spectacular Christian Camps in the central North Island. The camps are in separate locations - Kakahi, Whakamaru and Waitetoko.

We have a dedicated staff team and are committed to using Christian Camping as a tool for influencing people for the Kingdom of God.

We are looking for a vision focused person who has a strong sense of calling to what God is doing in their life. They need to understand that working at camp is a lifestyle and not just a job. They will have a hunger to impact people rather than just entertaining them. The applicant will be a team player, supportive and enthusiastic.

We are looking for a person who has qualifications and/or training in outdoor leadership. They need to have interests and experience in a wide range of outdoor pursuits. They need to have a proven record in outdoor instructing. They must have a current, clean, full, NZ, drivers licence. It is essential that their communication skills are excellent. Strong computer skills and a first aid certificate would be expected.

They will have relevant industry qualifications and come with a hunger to learn more. They will need to be able to communicate with a wide variety of age groups in various ways. They will need a good grasp of Health and Safety legislation and the practical ramifications they represent. Along with instructing activities this person will need to be willing to help in all aspects of camp life.
