

SEEKING PASTOR FOR VIBRANT SUNDAY MORNING CONGREGATION

Massey Community Church is passionate about living out our motto to be 'Real People Following Jesus'. We are deeply committed to each other as a spiritual family, and also to being Jesus in our local community. To this end, we have youth programmes, well-established recovery ministries, weekday events for parents and pre-schoolers, and have onsite counselling services.

We are currently looking for a leader to work 3-4 days / week to oversee our Sunday morning congregation. The successful candidate will have the ability to work alongside other pastoral staff and key volunteers, as well as oversee and coordinate existing teams of volunteers who run many of the programmes and ministries of the church, seeking to be a 'coach' rather than a 'player'. He or she will be able to grasp and promote our vision of being 'Loved / Equipped / Sent' and mobilise our congregation towards living this out.

The position requires the coordination of Sunday morning gatherings (including the planning of preaching series), as well as oversight of small group and discipling ministries, the embedding of newcomers into the church whanau and the facilitation of pastoral care.

Massey Community Church's Sunday Morning congregation is comprised of about 120 members, many who are significantly involved in church life. It is multi-generational, increasingly multicultural and is affiliated to the Christian Community Churches of NZ (CCCNZ).

The successful candidate is likely to have the following skills:

- Previous pastoral experience
- Theological training
- Excellent communication and organisational skills
- Skill in enabling and empowering others
- Upfront skills including MCing and preaching / teaching
- Leading via inspiring, collaboration and facilitation
- Strategizing and implementation of vision
- Team player
- Ability to connect with a diverse community

Please send your CV with at least two referees and a cover letter explaining how this position aligns with your experience and philosophy of leadership to: libby@mcconline.org.nz
