

# MOVEMENT OF THE WORD

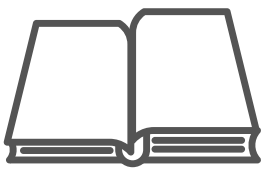

Movement of the Word encourages leaders to come together as learners around God's Word over a 4-year cycle, intentionally digging into a book of the Bible together with the purpose of developing tools for preaching, teaching and leading with and through Scripture.

In 2019 we're excited to offer two streams, each focusing on equipping leaders for a different context.

**PASTORAL LEADERSHIP STREAM**  
NELSON  
10-12 JUNE (9AM-5PM)

**GENERAL LEADERSHIP STREAM**  
CAMBRIDGE  
13 (STARTS 1PM) -15 JUNE

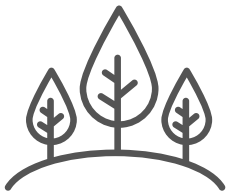

## BE EQUIPPED TO LEAD

Join Todd Kelly from Leadership Resources to spend 2-3 days digging into one book of the Bible as a group. Dig deeply and richly into the text together as you work to understand and apply simple hermeneutical and exegetical principles.

The event is designed for you to bring your 'Timothy', someone who you are intentionally discipling and training for leadership.

## GROW IN CONFIDENCE

"Imagine a whole movement of gospel-shaped, Christ-centred, Word-based men and women who have the confidence to invest into the lives of others, training and equipping them to teach the Word of God. That's our vision for the future."

**Peter Somervell**  
Lead Pastor, Grace Church Nelson

## LEARN IN COMMUNITY

"Come in a group and build up your confidence in handling the Word. The hope is that people will take these skills back to their churches and this will multiply--with people growing in their knowledge of the Bible and ability to teach and share."

**Jeremy Lind**  
Lead Pastor, Raleigh St Christian Centre, Cambridge

## BE TRANSFORMED

"For the Leadership Resources team, life comes through the living Word of God. I was so impressed by their simple, operating conviction that the Spirit of God uses the Word of God to transform the people of God."

**Daryl Bay**  
Lead Pastor, Hope Community Church, Nelson
